* Note that due to conversion from metric values, the US Values provided are approximate.

Please note:

Color/Decor Trespa® Virtuon® Metallics feature a directional colored surface. For more information on installation, please check our Trespa® Virtuon® technical documentation. The full quantity of Trespa® Virtuon® Metallics panels required for a project, should be ordered and supplied as a single instruction.

Grade Trespa® Virtuon® single sided decorative Standard grade and Fire-Retardant grade will be faced with an identification print on the non-decorative black reverse of the panel in addition to the panel sticker.
Trespa® Virtuon® double sided decorative Standard grade and Fire-Retardant grade can be clearly identified and distinguished on the basis of the panel sticker.
